Hispanic Heritage Month: Recognizing the Difference Makers

Hispanic Heritage Month takes place from Sept. 15 through Oct. 15 this year. We celebrate Hispanic Heritage Month to recognize the achievements and contributions of Hispanic American champions who have inspired others to achieve success. Marcos, Karime, and Faatima embody this spirit and are moving the **Madison** and Dane County forward at their respective organizations (Centro Hispano and Agrace) in helping Hispanic Americans and their families. Thanks for everything you do!

Member Spotlight: Paul Harrison

This month we highlight Paul Harrison, the longtime Development and Communications Director for Access Health Centers of 15+ years in **Madison**. Check out his lengthier feature in **Madison Magazine here**. Thanks for your commitment and good works in our community, Paul!

Paul Harrison's introduction to philanthropy came early on during his childhood. "It comes from how you were raised and what was in front of you." Inspired by his experiences growing up, Paul has dedicated his career to cultivating community through philanthropy.

Let's keep this member spotlight rolling! Thanks Patricia at Middleton Outreach Ministry.

"One of the first things that people get from development is "oh, I hate to ask people for money." But, when you realize and it finally hits you that "it's not for me - it's for something I believe in and that the donor believes in" then it becomes a really fulfilling job." 😊

MENTORSHIP PROGRAM HIGHLIGHTS

- We launched our second cohort of mentor and mentee pairs in May of 2021
- Our program expanded from 4 pairs in its inaugural year to 6 pairs this year
- Pairs continue to get creative in how they meet - everything from going on hikes together, to Zoom and phone meetings, to old-fashioned grabbing a coffee together

"This is my first year as a member of AFP and I was excited to learn about the program. My first nonprofit job was overwhelming as I was asked to do a lot with very little training/resources. In that time, I relied on making connections via LinkedIn to pose questions. I liked the opportunity to share my knowledge and resources with someone newer in the field."

- Megan Van Thomme, American Red Cross of Wisconsin
